Prices are exclusive of mileage & travelling time . Mileage & Travelling time costs will be calculated by identifying the mileage between the nearest Wirtgen Limited Service Engineer base and the plant requiring service , using the VMI – Live Track tracking system.

Customers are responsible for the disposal of waste oils and filters from their premises.

Labour undertaken outside of normal working hours is charged at a premium rate.

All other terms and condition apply. Please refer to our Web Site www.wirtgen.co.uk
